**TAG: Roy Anderson Corp Opens Pensacola Office**

Roy Anderson III, Chairman and President of Roy Anderson Corp (RAC), announced today that RAC has expanded its footprint to include a full service construction office in Pensacola. The 54 year old company headquartered in Gulfport, Ms, recently purchased specific assets and hired a core team from Opus South Construction Corporation's Pensacola office.

Roy Anderson III states "we have completed numerous projects in the Florida Panhandle and are very pleased to now have a permanent full service construction office that will serve the Northwest Florida region. I am also pleased that Steve Peranich, former General Manager of Opus South-Pensacola, will continue to have the leadership responsibilities as Vice President and General Manager of the RAC Pensacola office. Opus South Construction has an excellent reputation in the Northwest Florida region, and we share similar core values in giving back to the local communities we work in.
